

BEST NATIONAL SUPPLIERS

2013 GOBI GEM SUPPLIER
RECOGNITION AWARDS. 2014.04.29

BEST SUPPLIER GRAND PRIX - HASU MEGAWATT LLC

The company operates and maintains the central heating plant at Oyu Tolgoi. They have introduced the ISO9001 quality management standard to all of their operations. They have developed a long term strategic HSE plan covering the period between 2013 and 2015 and are implementing it through a detailed work schedule. In cooperation with German firms, they also

established a vocational training centre capable of training 400 welding technicians, 50 welding engineers and over 100 electricians each year. The company sent over 80 employees overseas for development training and workshops. They provide financial support for employees to buy homes and procure uniforms and water from local Khanbogd businesses.

BEST SUPPLIER SAFETY PERFORMANCE - BAMBAI SECURITY LLC

The company introduced international standards of labour health and safety (OSHAS18001:2007) and developed relevant procedures to introduce them to their daily operations. They also invested MNT113 million for employees personal protective equipment.

BEST SUPPLIER EMERGING - KHANGURD LLC

Khangurd LLC started providing camp and site services including road watering, sewage and waste removal services in 2013. The company operates 14 specialist trucks with drivers who have attended training to improve their skills and also take part in regular safety training.

BEST SUPPLIER KHANBOGD - UGUUMUR GAVILUUD LLC

Uguumur Gaviluud LLC from Khanbogd soum of Umnugovi aimag provides high pressure water and oil cleaning services for Oyu Tolgoi's concentrator plant. The company conducted an internal audit programme to identify operational gaps and potential improvements and are currently developing improvements to their parking lot and tyre maintenance service to prevent soil degradation. Three employees attended heavy machinery operator training, receiving certification. The company made donations to elders, local community events and a children's event totalling MNT1.3 million

BEST SUPPLIER SOUTHGOBI NEW SUPPLIER - BUYANT GALBA LLC

The company provides maintenance and coffee shop services to Khanbumbat airport. They continuously train their employees in hygiene, safety and customer service by working with specialist training centres.

BEST SUPPLIER SOUTHGOBI - GOVIN ANIR LLC

In 2013, the company refurbished its server room to provide enhanced security for the network's operation and introduced a network monitoring system. The company also developed and is currently implementing its own HSE programme and shared their workspace risk management approach with other local companies. They also introduced many social responsibility programmes in Bayan-ovoo soum.

BEST SUPPLIER SKILL TRANSFER- MAJOR DRILLING MONGOLIA LLC

Over 92% of their workforce is Mongolian, with an increasing number holding senior positions. They introduced leadership training and coaching programmes for their senior national supervisors and HSEC Officers and sent several employees to Singapore for English language training. They also collaborated with the Mongolian National Drilling Association, Mechanical Engineering School, traffic police and professional Australian trainers to improve the skills of their employees.

BEST SUPPLIER SOCIAL RESPONSIBILITY - MEKHLOPAT LLC

Through its Corporate Social Responsibility strategy, Mekhlopat implemented a number of programmes in collaboration with the School of Mining Engineering, Municipal Authority for Children, National Garden Park, Edu-relief NGO and Lotus Children Centre NGO. They also provided student scholarships & internships in mining and mechanical engineering fields and donated library and computer equipment to Khyalganat soum of Bulgan aimag. They also supported a programme producing eco-bags run by disabled people. The company sent sales and technical employees to Holland, China and Australia to study.

BEST SUPPLIER SUPPLY CHAIN IMPROVEMENT - SLS BEARING LLC

The company increased their vendors from 32 to 52 and introduced direct shipments from the USA to Mongolia. They started a supply logistic contract with a Mongolian freight forwarder and expanded their warehouse to improve safety. They also sent two national engineers for training abroad. They provided support for the development of a Mongolian company called Mergen chadvar LLC which became their distributor. Mergen chadvar LLC is building a warehouse in Khanbogd soum, providing jobs for local residents.

We are grateful to our national suppliers who are building the foundations of safe, productive and efficient operations at Oyu Tolgoi.
